About Zenkaikon:

Zenkaikon was formed by the merger of the anime and sci-fi convention Zentrancon and the anime convention Kosaikon, both in the Philadelphia area. In 2006, they put on their first event, which was a tremendous success. Zenkaikon will return for its fourth installment on November 7 and 8, 2009, moving into the Radisson Hotel Valley Forge. The convention will feature two days of programming with dealers, artists, panels, performances, gaming, and more. The Zenkaikon staff wishes to thank the many attendees who made the 2008 event such a huge success. They hope to see this trend continue in 2009, and are actively anticipating expansion with larger performance and panel areas, dealer space, and video game rooms.
